Model Framework Service Contract (as revised)

On 2 December 2015, the Governing Board adopted a new F4E Financial Regulation ("new FR") and Implementing Rules ("new IR").

The model framework Service contract has been updated to implement the modifications introduced by the new rules.

The modifications concern the following:

- 1.Modification of the Time-limits for payment: from 45 Days to 30 Days (pre-financing) and 60 Days (other payments)
- 2.Modification of the general provision on payments and acceptance: new process for approval of ADP, single deadline for approval of ADP and payment; clarification of F4E's means of action in case of inadmissibility of request for payment; additional rights of the contractor
- 3.Late payment interest: Contractor's automatic entitlement to late payment interests at ECB Rate (except if the amount does not exceed 200 EUR) and increase of the margin from 7 to 8 percentage points
- 4.Adaptation of the articles on Conflict of Interest to align with the new definitions of Conflict of Interest and the new notions of Professional Conflicting Interest
- 5.Modification of the list of ground for termination for cause essentially to reflect the new exclusions grounds set out in article 106 of the new FR.
6. Adaptation and introduction of definitions

Track Change versions are attached for the user's convenience.

I.2. SUBJECT MATTER

- I.2.1. The subject matter of this Contract is the provision of [...] as set out in detail in [...] Annex B (*Technical Specifications*) and further specified in the Specific Contracts (the “**Service**”).
- I.2.2. Signature of the Contract imposes no obligation on Fusion for Energy to purchase. Only implementation of the Contract through Specific Contracts is binding on Fusion for Energy. All Specific Contracts pursuant to the Contract shall conform to the terms set out therein.
- I.2.3. The Contract does not confer on the Contractor any exclusive right to provide the Services to Fusion for Energy but it shall provide them, if requested by Fusion for Energy.
- I.2.4. The Contractor shall provide the Service in accordance with the provisions of this Contract and any Specific Contract.

I.3. ENTRY INTO FORCE AND DURATION

- I.3.1. This Contract shall enter into force on the date on which it is signed by the last Party (the “**Commencement Date**”).
- I.3.2. Performance of this Contract shall under no circumstances begin before the Commencement Date. Execution of the tasks described in Article **Error! Reference source not found.** (*Subject Matter*) shall under no circumstances begin before the date on which the relating Specific Contract enters into force. Performance of the Specific Contract by the Contractor shall be consistent with the milestone dates provided for in the Specific Contract.
- I.3.3. This Contract is concluded for a period of [*number which in total, including any renewal, may not exceed 48 (forty-eight) months in principle*] months with effect from the Commencement Date, without prejudice to Article I.18 (*Survival of Obligations*). No Specific Contract shall be signed after the expiration of the Contract.
- I.3.4. The Contract shall continue to apply to Specific Contracts being executed after its expiration until completion of the mutual obligations of the Parties under this Contract. Specific Contracts shall not be executed later than [6 (*six*) months after its expiry]. [*The period of execution of the Specific Contracts may be extended only with the express written agreement of the Parties before such period elapses*].
- I.3.5. [*The Contract shall be renewed automatically up to [number] times under the same conditions, unless written notification to the contrary is sent by one of the Parties and received by the other [three/four/five/six] months before expiry of the period indicated in Article I.3.3 or the period of renewal. Renewal does not imply any modification or deferment of existing obligations.*]

I.4. IMPLEMENTATION OF THE CONTRACT

F4E - [Contract reference]

- I.4.1. For the implementation of the Contract, specific Services shall be detailed in a specification prepared by Fusion for Energy's Responsible Officer (the "**Task Order**"). The Task Order shall set out the maximum period available for execution of the tasks relating to the Services, as the case may be.
- I.4.2. Within [the deadline provided in the Task Order by Fusion for Energy but not less than *[10 (ten)] Working Days/7 (seven) to a maximum of 14 (fourteen) Days*] of a Task Order being sent by Fusion for Energy to the Contractor, Fusion for Energy shall receive the breakdown of resources to be allocated for its execution and the Total Specific Contract Price (the "**Task Offer**").
- I.4.3. After having evaluated the appropriateness of the Task Offer with the Contractor, also as a result of discussions carried out with the Contractor, if the need arises, Fusion for Energy may send the Contractor the Specific Contract.
- I.4.4. Within [.] Days/the deadline provided by Fusion for Energy but not less than *[10 (ten) Working Days]* after the Contractor has received the Specific Contract from Fusion for Energy, the Contractor shall send it back to Fusion for Energy duly signed and dated.
- I.4.5. In case Fusion for Energy does not receive from the Contractor (i) the Task Offer in accordance with Article I.4.2 and/or (ii) the Specific Contract signed in accordance with article I.4.4 Fusion for Energy shall be entitled to terminate the Contract in accordance with Article II.19 (*Termination by Fusion for Energy for Cause*).
- I.4.6. In case of disagreement with the Task Offer, justified in writing, or failure to submit (i) a Task Offer in accordance with Article I.4.2 and/or (ii) the Specific Contract signed in accordance with article, Fusion for Energy may request the provision of the Specific Services from another economic operator without the Contractor being entitled to any compensation. The price to be paid to another economic operator for the Specific Services shall not be higher than the price included in the refused Task Offer and the conditions of the contract shall not be substantially different from the conditions that would have applied to the Contractor under the refused Task Offer.
- I.4.7. *[Specific provisions for Multiple Framework Contract in Cascade]*
[If Fusion for Energy does not receive from the Contractor the Task Offer in accordance with Article I.4.2, Fusion for Energy shall be entitled to send the Task Order to the next Contractor on the list. In the event of failure to observe this deadline or in the event the Parties cannot agree on the allocation of resources, price, or technical issues after discussions, the Contractor shall be considered unavailable and Fusion for Energy shall be entitled to send the Task Order to the next Contractor on the list. Also in the event of failure to observe the deadline laid down in Article I.4.4, the Contractor shall be considered unavailable without any liability to Fusion for Energy].
- I.4.8. *[Specific provisions in case of reopening of competition].*

I.5. PRICES

- I.5.1. The maximum total amount payable by Fusion for Energy under the Contract *[including all [Options],[travel and subsistence expenses] under all Specific Contracts]* shall not exceed EUR *[amount in figures and in word]* (the "**Total Contract Price**"). The Total Contract Price is an overall ceiling which must in no way be construed as a commitment on Fusion for Energy to purchase for the Total Contract Price.
- I.5.2. The maximum total amount to be paid by Fusion for Energy for each Specific Services and/or goods shall be included in the Specific Contracts ("**Specific Contract Price**"). They shall cover the provisions of all the Specific Services and execution of all related obligations in accordance with the conditions of the Contract.

I.12. LIABILITY

I.12.1. The Contractor’s liability:

The Contractor is liable to Fusion for Energy for any loss or damage arising directly as a result of the performance or breach of the Contractor's obligations under this Contract and any Specific Contract. The Contractor’s total liability under this Contract and any Specific Contract shall not exceed *[the sum of the Specific Contract Prices of the Specific Contracts signed [with this Contractor]/ [one time] the Specific Contract Price]*, subject to the sole exceptions set out in this Article I.12.1 (Contractor’s Liability). *[Should the sum of the Specific Contract Prices be less than [amount in figure and words], the Contractor’s total liability shall not exceed [amount in figure and words not higher than the Total Contract Price]]*.

Notwithstanding any other provision of this Contract, the Contractor shall remain liable without any limitation as to the amount, for the following:

- (a) damage or loss caused by the gross negligence or wilful misconduct of the Contractor, its Staff, or of any Subcontractor or its Staff;
- (b) personal injuries or death caused by the Contractor, its Staff, or of any Subcontractor or its Staff;
- (c) damage or loss resulting from non-compliance with any applicable mandatory law or from an infringement of intellectual property rights of a third party.

I.12.2. Third party actions:

If a third party brings any action or claim against Fusion for Energy in connection with the performance of the Contract, the Contractor must assist Fusion for Energy in the legal proceedings, including by intervening in support of Fusion for Energy, upon request.

If Fusion for Energy’s liability towards the third party is established and such liability is caused by the Contractor during or as a consequence of the performance of the Contract, the Contractor shall be liable, without any limitation as to the amount.

The indemnification shall not exceed the amount of damage and costs sustained by F4E as a result of the third party action within the meaning of this Article.

- I.12.3. The ITER IO is not considered a third party for the purposes of this Article unless the damage or loss suffered by the ITER IO was caused by the Contractor’s wilful misconduct or gross negligence. In such a case, the indemnification shall not exceed the limit indicated in Article I.12.1, subject to the exceptions mentioned therein.

I.12.4. Consortium

F4E - [Contract reference]

If the Contractor is a group of economic operators a consortium, [or another entity without legal personality], each of the economic operators forming such group, consortium or entity shall be jointly and severally liable to Fusion for Energy for any loss or damage or claim arising as a result of the performance or breach of Contractor's obligations by any of them, under the conditions established in Article I.12.1.

I.12.5. Fusion for Energy's liability:

Notwithstanding anything to the contrary in this Contract, Fusion for Energy shall not be liable for any loss or damage sustained by the Contractor during or as a consequence of performance of the Contract, unless the loss or damage was caused by wilful misconduct or gross negligence by Fusion for Energy.

Fusion for Energy is not liable for any loss or damage caused by the Contractor, including any damage or loss to a third party during or as a consequence of performance of the Contract.

I.12.6. [Nuclear Liability:]

The Parties hereby acknowledge that nuclear fusion installations are currently not covered by international nuclear liability conventions and that ITER IO assumes by virtue of the declaration in the Applicable Document AD-04 (Declaration Regarding Nuclear Liability of ITER) the responsibility of a nuclear operator for indemnifying the Contractor in the event of claims, damage and losses caused by radiological damage arising from a nuclear incident as defined by the Paris Convention 'Third Party liability in the Field of Nuclear Energy' of 29th July 1960, as amended by the Additional Protocol of 28th January 1964 and by the Protocol of 16th November 1982.]

I.13. INSURANCE

I.13.1. The Contractor must take out a suitable insurance policy against risks and damage or loss relating to the performance of the Contract as required by the relevant applicable legislation as well as any insurance policy reasonably required by the best practices in the industry taking into account the specificities of the Contract.

I.13.2. *[In any case, without limiting the obligation defined in the first paragraph of this article, the Contractor shall effect and maintain the following insurance with the standards defined above:*

- (a) Third party and public liability insurances to cover each and every liability which the Contractor may incur in relation to the performance of the Contract with a limit of indemnity of not less than EUR [x] for any single occurrence and of not less than EUR [x] in the yearly aggregate, notwithstanding any termination of the present Contract.*
- (b) Professional indemnity insurance without unusual or onerous conditions or excesses to cover each and every liability which the Contractor may incur relating to the performance of the Contract including joint and several liability of its members and in particular for any act, error, or omission due to negligence in the performance of the obligations and commitments to be undertaken in accordance with the Contract, design of the works and faulty execution, with a limit of indemnity of not less than EUR [x] for any single occurrence and of not less than EUR [x] in the yearly aggregate, notwithstanding any termination of the present Contract]*
- (c) [Employer's liability insurance with limit of no less than Euro [x] per accident for bodily injury or disease*

I.13.3. The insurance policies listed above shall cover the duration of the obligations of the Contractor and allow direct payment of the compensation for the insured damage suffered. The Contractor shall provide the necessary support for the execution of the

F4E - [Contract reference]

policy, including payment of self-insured retentions or deductibles, in case such payments are necessary.

I.13.4. Upon request, the Contractor shall provide evidence of effective insurance coverage to Fusion for Energy and, in any case, shall timely inform Fusion for Energy in case of modification to the mentioned policies.

I.13.5. For avoidance of doubt, demonstration by the Contractor of the fulfilment of this Article **Error! I.14. LIQUIDATED DAMAGES

I.14.1. Where [the completion date is not met/due dates are not met [for deliverable [Deliverable/milestones [•] defined in Section [•] of Annex B (Technical Specifications)/defined in a Specific Contract].] and the delay is not attributable to an act or omission of Fusion for Energy, Fusion for Energy may impose liquidated damages amounting to [.]% ([.] percent) of [the total Specific Contract Price per [day/week/month] of delay/the Total Contract Price per [day/week/month] of delay, up to a maximum of [10% (ten percent) of the [Specific Contract Price/Higher amount subject to maximum of 10 % of Total Contract Price]. Fusion for Energy may at its sole discretion apply a lower amount. [For each incomplete [week/month] of delay, the amount of liquidated damages is determined on a pro-rata working day basis].

I.14.2. Without prejudice to Fusion for Energy's right to terminate the Contract in accordance with Article II.20 (*Termination by Fusion for Energy for Cause*), the liquidated damages payable under this Article constitute the sole remedy available to Fusion for Energy in respect of delay up to the maximum amount indicated in Article I.14.1. From the Day the maximum amount of payable liquidated damages is reached, Fusion for Energy shall be entitled to compensation for any loss or damage resulting from any additional delay attributable to the Contractor, under the conditions set out by Article I.12 (*Liability*).

I.14.3. *[N/A] [By derogation to article I.14.1, where the [completion date/any other milestone] is not met due to a delay in transportation caused by the Designated Carrier and not attributable in whole or in part to an act or omission of the Contractor, the amount of liquidated damages payable by the Contractor pursuant to Article I.14.1 (Liquidated Damages) is reduced to the amount set out in Article 9 (Terms of Delivery and Delay Damages) of the Applicable Document AD-07 (Model Transportation Contract).]*

I.14.4. Fusion for Energy must formally notify the Contractor of its intention to apply liquidated damages and the corresponding calculated amount. The Contractor has 30 (thirty) Days following the date of receipt of the Notification to submit observations or any longer period communicated by Fusion for Energy. Failing that, the decision becomes enforceable the Day after the time limit for submitting observations has elapsed. If the Contractor submits observations, Fusion for Energy, taking into account the relevant observations, shall notify the Contractor: (a) of the withdrawal of its intention to apply liquidated damages; or (b) of its final decision to apply liquidated damages and the corresponding amount.

I.14.5. The Parties expressly agree and acknowledge that any amounts payable under this Article I.14 (*Liquidated Damages*) represent a reasonable estimate of fair compensation for the

F4E - [Contract reference]

damages and losses that may be reasonably anticipated by Fusion for Energy from the above-mentioned delays of the Contractor.

II. GENERAL CONDITIONS

II.1. PERFORMANCE

II.1.1. General provisions on Performance of the Contract:

- (a) The Contractor shall perform this Contract with due skills, care, and diligence, in accordance with the high professional standards which can be expected of an experienced contractor in the field of this Contract.
- (b) The Contractor shall follow the instructions of Fusion for Energy regarding the execution of this Contract given in writing by the Responsible Officer. If the Contractor receives instructions that jeopardize the economical, expeditious, and safe performance of this Contract, it shall immediately call the attention of Fusion for Energy in writing thereto. However, if the Responsible Officer repeats the instructions in writing, the Contractor shall execute them at the risk and expense of Fusion for Energy.
- (c) The Contractor shall neither represent Fusion for Energy nor behave in any way that would give such an impression. The Contractor shall inform third parties that it and its employees do not belong to the European public service.

II.1.2. General provisions regarding the Contractor's Staff

- (a) The Contractor must ensure that any Staff performing this Contract (including that of Subcontractors) has the professional qualifications, skills and experience required for execution of this Contract.
- (b) Upon request of Fusion for Energy, the Contractor shall justify the deployment of the human resources, regarding the number and the professional qualification of the personnel involved for the execution of the Contract.
- (c) The Contractor shall have sole responsibility for complying with any legal obligations incumbent on him, notably those resulting from employment, tax, and social legislation. The Contractor shall indemnify and hold harmless Fusion for Energy from any claim in that respect including those claims related to salary, remuneration, tax, social security, and health and safety obligations of the Contractor. If requested by Fusion for Energy, the Contractor shall submit copies of forms evidencing compliance with the aforementioned obligations.
- (d) The Contractor shall be responsible for the submission of any information required by the labour or tax authorities having jurisdiction over the work in respect of the employees working or from time to time employed or hired by the Contractor and its subcontractors to carry out any work under this Contract. The Contractor shall also be responsible to submit copies of that documentation to Fusion for Energy. The Contractor shall keep at all times in the site the legally required books and records containing information on its employees and those of its subcontractors working on the site. Fusion for Energy shall have full access to the information contained in such registry book.
- (e) The Contractor shall have sole responsibility for the Staff executing the tasks under the Contract. The Contractor has the duty to manage the team in charge of the execution of this Contract.
- (f) The Contractor shall make provision for the following employment or service relationships with his Staff: (1) Staff executing the tasks assigned to the Contractor may not be given orders directly by Fusion for Energy; and (2) Fusion for Energy may not under any circumstances be considered to be the staff's employer and the said staff

F4E - [Contract reference]

shall undertake not to invoke in respect of Fusion for Energy any right arising from the contractual relationship between Fusion for Energy and the Contractor.

- (g) The Contractor shall use reasonable efforts to minimize the risk of labour-related delays or disruption of the progress of the work. The Contractor shall promptly take any and all reasonable steps that may be available in connection with the resolution of violations of collective bargaining agreements or labour jurisdictional disputes. The Contractor shall advise Fusion for Energy promptly in writing of any actual or threatened labour dispute of which the Contractor has knowledge that might materially affect the performance of this Contract by the Contractor or by any of its subcontractors. Notwithstanding the foregoing, the settlement of strikes, walkouts, lockouts, or other labour disputes shall be at the discretion of the Party having the difficulty.
- (h) In the event of disruption resulting from the action or omission of a member of the Contractor's staff or in the event of the expertise of a member of the Contractor's Staff failing to correspond to the profile required by this Contract, the Contractor shall replace him without delay. Fusion for Energy shall have the right to request the replacement of any such member of Staff, stating its reasons for so doing. Replacement staff must have the necessary qualifications and be capable of performing this Contract under the same contractual conditions. The Contractor shall ensure the continuity of the service and the transfer of knowledge from the replaced Staff to the replacement Staff. The Contractor shall be responsible for any delay in the execution of this Contract resulting from the replacement of staff.

II.1.3. Compliance

- (a) The Contractor shall comply during the performance of this Contract with the quality and management requirements laid down in the Annexes and Applicable Documents of this Contract.
- (b) The Contractor must comply with the minimum requirements provided for in the tender specifications. This includes compliance with applicable obligations under environmental, social, and labour law established by Union law, national law and collective agreements or by the international environmental, social, and labour law provisions listed in Annex X to Directive 2014/24/EU⁸ and compliance with data protection obligations resulting from Regulation (EU) 2016/679 and Regulation (EU) 2018/1725.
- (c) The Contractor shall have sole responsibility for taking the necessary steps to obtain any permit or licence required to perform this Contract under the laws and regulations in force at the place where this Contract is to be executed.
- (d) The Contractor must ensure compliance with the health and safety regulations and standards applicable in the places where the Contract is executed.

II.1.4. Early warning

- (a) The Contractor shall notify Fusion for Energy of any event or circumstance that affects or should reasonably be expected to affect the performance of its contractual obligations promptly and in the absence of shorter period mentioned in the Contract, in any case not later than within 10 (ten) Days since the Contractor became aware of such event or circumstance or should have reasonably become aware of it (unless another shorter period is foreseen in the Contract).

⁸ OJ L 94 of 28.03.2014, p. 65.

F4E - [Contract reference]

- (b) The Contractor shall be responsible for the costs and delays resulting from a breach of the duty of early warning as defined in this article.
- (c) The Contractor shall use its best efforts to mitigate the consequences of such an event or circumstance for the performance of the Contract.

II.2. ACCEPTANCE

II.2.1. Acceptance:

Acceptance is the acknowledgement that the Service and the deliverables are in compliance with the contractual requirements. Acceptance is without prejudice to Article I.12 (*Liability*).

Acceptance of the Service and the deliverables shall be evidenced by a written communication to this effect or, in the case of a deliverable linked to a payment, by the payment.

Conformity shall be declared only where the conditions laid down in this Contract or any Specific Contract are satisfied and the Service provided conform to Annex A (*Management Specifications*) and Annex B (*Technical Specifications*).

Where, for reasons attributable to the Contractor, Fusion for Energy is unable to accept the Service and the deliverables, the Contractor shall be notified in writing at the latest by the deadline for approval of the Acceptance Data Package.

Approval of any deliverable or document by any means other than those set out in this Article shall not constitute an Acceptance within the meaning of this Article. No obligation and/or responsibility of the Contractor under this Contract or any Specific Contract shall be released until Final Acceptance.

Acceptance is without prejudice to the rules on Liability in Article I.12.

II.2.2. Approval of the Acceptance Data Packages linked to payments:

- (a) Where the Contractor must submit an Acceptance Data Package (ADP) linked to a payment, Fusion for Energy has 60 (sixty) Days from receipt of the relevant request for payment:
 - (1) to approve it and make the payment; or
 - (2) to reject it and require the Contractor to submit another ADP; or
 - (3) to make observations, suspend the time-limit for payment and require the Contractor to take Corrective Actions.
- (b) Any rejection by Fusion for Energy must be based on objective reasons in accordance with the provisions of this Contract or any Specific Contract and be transmitted in writing to the Contractor.

If Fusion for Energy rejects the ADP, the Contractor shall submit a new ADP which shall likewise be subject to the above provisions.

The deadline for submission of any other ADP and other deadlines set out in this Contract or any Specific Contract shall not be affected or deferred due to Fusion for Energy's rejection of a given Acceptance Data Package.

II.3. GENERAL PROVISIONS CONCERNING PAYMENTS

- II.3.1. Payments shall be made only if the Contractor has fulfilled all its contractual obligations by the date on which the request for payment is submitted.

F4E - [Contract reference]

- II.3.2. Should the Contractor fail to perform its obligations under the Contract and the Specific Contract, Fusion for Energy may – without prejudice to its right to terminate this Contract and the Specific Contract – suspend, reduce, or recover payments in proportion to the scale of the non-performance.
- II.3.3. Payments shall be deemed to have been made on the date on which Fusion for Energy's account is debited.
- II.3.4. Fusion for Energy may suspend the payment periods referred to in Article I.7(*Payment Arrangements*) at any time, if it informs the Contractor that its payment request is not admissible. A payment request is not admissible for one of the following reasons:
 - (a) the payment is not due in accordance with the contract; or
 - (b) the Contractor has not produced the appropriate supporting documents or deliverables; or
 - (c) Fusion for Energy has observations on the documents or deliverables submitted with the invoice.
- II.3.5. In case of doubt on the admissibility of the expenditure indicated in the payment request, Fusion for Energy may suspend the time limit for payment for the purpose of further verification, including an on-the-spot check, in order to ascertain, prior to payment, that the expenditure is admissible.
- II.3.6. Fusion for Energy shall notify the Contractor as soon as possible of the suspension and set out the reasons for it. Suspension takes effect on the date Fusion for Energy sends the notification. The remaining payment period resumes from the date on which the requested information or revised documents are received or the necessary verifications, including on-the-spot checks, is carried out. Where the suspension of payment exceeds two months, the Contractor may request F4E's decision on whether the suspension must be continued.
- II.3.7. In the event of late payment the Contractor shall be entitled to interest calculated at the rate applied by the European Central Bank to its most recent main refinancing operations (the "**Reference Rate**") plus 8 (eight) percentage points (the "**Margin**"). The Reference Rate in force on the first Day of the month in which the payment is due shall apply. Interest shall be payable for the period elapsing from the Day following expiry of the time limit for payment up to the Day of payment. Suspension of payment by Fusion for Energy does not constitute late payment. When the calculated interest is lower or equal to EUR 200 (two-hundred Euros), it must be paid only if the Contractor requests it within two months of receiving late payment.

II.4. REIMBURSEMENT OF EXPENSES

- II.4.1. Where provided by Article I.5.5 (*Prices*), Fusion for Energy shall reimburse the travel and subsistence expenses that are directly connected with the performance of the Contract (the '**Missions**') up to the maximum amount defined in article I.5.5 (*Prices*).
- II.4.2. Travel and subsistence expenses shall be calculated on the basis of the shortest itinerary and the minimum number of nights necessary for overnight stay at the destination.
- II.4.3. Travel expenses shall be calculated on the basis of the following assumptions:
 - (a) travel by air are made on economy class;
 - (b) travel by boat or rail are made on first class;
 - (c) travel by car shall be reimbursed at the rate of one first class rail ticket for the same journey
- II.4.4. For journeys of 200 (two-hundred) km and more (return trip), subsistence expenses shall be reimbursed on the basis of a daily allowance which covers all subsistence expenses,

F4E - [Contract reference]

including accommodation, meals, local transport, and transport to airport, insurance and sundries. The daily subsistence allowance indicated in the following index shall apply: https://ec.europa.eu/europeaid/funding/about-calls-tender/procedures-and-practical-guide-prag/diems_en

- II.4.5. Conversion between the euro and another currency shall be made according to the daily euro exchange rate published in the *Official Journal of the European Union* or, failing that, at the monthly accounting exchange rate established by the European Commission and published on its website, applicable on the day on which the payment order is issued by the contracting authority.
- II.4.6. Fusion for Energy's written authorization is required before a Mission may be undertaken. The request for written authorization must indicate the purpose of the Mission, the origin, the destination, the travel cost, the start date, the duration in Days and the names of the persons travelling.
- II.4.7. Unless otherwise indicated in the Contract, reimbursement of expenses shall be made together with the interim payment(s) or balance payment. Requests for reimbursement of expenses shall indicate the reference number of the Contract and consist of: (a) a request for reimbursement of travel and subsistence expenses as part of the invoice for an interim and/or balance payment and (b) a Mission statement submitted by the Contractor and approved by the F4E Technical Responsible Officer, detailing, for each Mission completed, the purpose of the Mission, the origin, the destination, the travel cost, the start date, the duration in Days and the names of the persons travelling.

II.5. GUARANTEES

- II.5.1. If so required by Fusion for Energy, the Contractor shall provide a guarantee (the "Guarantee") for the performance of his obligations under the Contract for the amount and exact format stipulated in the Contract.
- II.5.2. The guarantee(s) shall be issued in favour of Fusion for Energy by an authorised bank or any other financial institution (the "Guarantor") established in the EU or Switzerland having a public credit rating of no less than "BBB" by Standard and Poors or equivalent credit rating from a reputable ratings agency accepted by Fusion for Energy credit. It shall be denominated in EURO.
- II.5.3. Notwithstanding any indication to the contrary, the Guarantor shall stand as first-call guarantor and shall not require Fusion for Energy to have recourse against the principal debtor, being the Contractor.
- II.5.4. The Contractor shall bear the costs of providing the Guarantee and any extension thereof.
- II.5.5. The pre-financing guarantee must remain in force until the pre-financing is cleared against (an) interim payment(s) or payment of the balance. Where the payment of the balance takes the form of a debit note, the pre-financing guarantee must remain in force for 3 (three) months after the debit note is sent to the Contractor. Fusion for Energy must release the guarantee within the following month.
- II.5.6. Performance guarantees cover compliance with contractual obligations from the execution of the balance payment. Fusion for Energy must release the performance guarantee fully 30 (thirty) Days after expiry of the Warranty Period.
- II.5.7. Retention money guarantees cover full delivery of the supplies in accordance with the Contract including during the Warranty Period. Fusion for Energy must release the Retention money guarantee at the latest after the expiry of the Warranty Period.
- II.5.8. Fusion for Energy may not request a retention money guarantee where it has requested a performance guarantee and not released it

F4E - [Contract reference]

II.6. RECOVERY

- II.6.1.** If total payments made exceed the amount actually due under the Contract or any Specific Contract or if recovery is justified in accordance with the terms of this Contract or any Specific Contract, the Contractor shall reimburse the appropriate amount in EUR on receipt of the debit note, in the manner and within the time limits set by Fusion for Energy.
- II.6.2.** In the event of failure to pay by the deadline specified in the debit note, Fusion for Energy may, after informing the Contractor in writing, recover the amounts due by: (a) offsetting them against any amount owed to the Contractor by Fusion for Energy; (b) calling a financial guarantee if the Contractor has submitted one; (c) taking legal action.
- II.6.3.** In the event of failure to pay by the deadline specified in the debit note, the sum due shall bear interest at the rate indicated in Article II.3 (*General Provisions Concerning Payments*). Interest shall be payable from the Day following the expiry of the due date up to the Day on which the full debt is repaid in full. Any partial payment is first entered against charges and interest on late payment and then against the principal amount.
- II.6.4.** If the Contract is signed by a group (joint tender), the group is jointly and severally liable under the conditions set out in Article I.12 (*Liability*). Fusion for Energy first claims the full amount to the leader of the group. If the leader does not pay by the due date and if the amount cannot be offset in accordance with Article **Error! Reference source not found.**(a), Fusion for Energy may claim the full amount to any other member of the group by notifying the debit note already sent to the leader.

II.7. TAXATION

- II.7.1.** The Contractor recognises that Fusion for Energy is, as a rule, exempt from all taxes and duties, including VAT, pursuant to the provisions of Articles 3 and 4 of the Protocol on the Privileges and Immunities of the European Union⁹.
- II.7.2.** The Contractor shall accordingly complete the necessary formalities with the relevant authorities to ensure that the Items and services required for performance of the Contract are exempt from taxes and duties, including VAT. The Contractor shall remain responsible for the proper application of the rules on VAT at the place where is taxable. Fusion for Energy reserves the right to communicate information on the Contract to the Member State in which the contractor is liable to VAT.
- II.7.3.** Invoices presented by the Contractor shall indicate its place of taxation for VAT purposes and shall specify separately the amounts not including VAT and the amounts including VAT.

II.8. CHECKS AND ACCESS RIGHTS

- II.8.1.** For the purposes of checking the performance of the Contract or any Specific Contract and subject to prior notification (which in any case shall not be less than 5 (five) days), Fusion for Energy or any entity it designates shall have the right to carry out onsite checks in the premises of, and access to the facilities (including documentation) of the Contractor and its Subcontractors as set out in detail in Applicable Document AD-01 (*Supplier Project Management and Quality Requirements*).

⁹ OJ C 321 E of 29.12.2006 p. 0318-0324.

F4E - [Contract reference]

- II.8.2. Fusion for Energy shall notify in writing to the Contractor the names of the persons entitled or designated to execute the checks (the “**Representatives of Fusion for Energy**”). The Contractor shall grant access to its facilities for the above purposes and shall ensure that any contracts entered into with Subcontractors also provide such unlimited and unrestricted access.
- II.8.3. In carrying out the checks, the Representatives of Fusion for Energy shall comply with the internal rules of procedure, safety and security of the Contractor and Subcontractors as well as with any restriction imposed by any applicable safety and security law.
- II.8.4. In addition to the rights of Fusion for Energy set out in Applicable Document AD-01 (*Supplier Project Management and Quality Requirements*), Fusion for Energy shall be entitled to a reasonable number of copies (and unless otherwise indicated by Fusion for Energy, not less than 3 (three) in paper and electronic form of the documents required in accordance with Applicable Document AD-01 (*Supplier Project Management and Quality Requirements*) at any time at no cost for Fusion for Energy.
- II.8.5. The Contractor shall provide at no cost for Fusion for Energy (also in the case of permanent Representatives of Fusion for Energy), suitable office accommodation and facilities as may be required for the use of the Representative(s) of Fusion for Energy for the purpose mentioned in this Article and also all appliances, materials, and labour required for inspection or test.
- II.8.6. The Contractor shall provide Fusion for Energy purposes for the purpose mentioned in this Article.
- II.8.7. Nothing under this Article II.8 (*Checks and Access Rights*) shall relieve the Contractor of any of its obligations and responsibilities under this Contract or any Specific Contract.

II.9. REPORTING AND TESTING

- II.9.1. The Contractor shall provide Fusion for Energy with reports providing details about the progress of the performance of this Contract and any Specific Contract, Acceptance Data Packages and Final Report, all of which shall be in accordance with the requirements set out in Annex A (*Management Specification*), Annex B (*Technical Specifications*) and in the Specific Contract.
- II.9.2. Should any unforeseen event, action, or omission directly or indirectly negatively impact the execution of this Contract or any Specific Contract, either partially or totally, the Contractor shall immediately and at its own initiative record it and report it to Fusion for Energy. The report shall include a description of the problem, an indication of the date on which it started and of the Remedial and Corrective Action taken by the Contractor to ensure full compliance with its obligations under this Contract. In such event the Contractor shall give priority to solving the problem rather than determining liability.
- II.9.3. The Contractor shall give Fusion for Energy at least 2 (two) weeks’ notice in writing of any tests that are to be carried out in accordance with the Contract in the presence of Representatives of Fusion for Energy, unless otherwise indicated in the Annex A (*Management Specification*) or Annex B (*Technical Specifications*).
- II.9.4. The expense of visits of Representatives of Fusion for Energy connected with such tests will be borne by Fusion for Energy. If 1 (one) or more of the tests has to be repeated for reasons attributable to the Contractor, the Contractor shall pay the additional costs attributable to extended participation or for any extra visit(s).
- II.9.5. If during the course of a test the Representatives of Fusion for Energy present at the test wish to make minor modifications to the test procedures or programmes which has no impact on the schedule, i.e. modifications involving little extra work or expense, the

F4E - [Contract reference]

Contractor shall not unreasonably withhold its consent. Substantial modifications to test procedures or programmes shall be agreed in good faith by the Parties in advance.

- II.9.6.** Each test procedure has to be approved by Fusion for Energy prior to the test. Each test report has to be approved by Fusion for Energy. One copy of the test report shall be delivered to Fusion for Energy within 10 (ten) days from the end date of each test.
- II.9.7.** If the Parties disagree on the results of the tests, a final series of tests shall be carried out by or under the supervision of a third party especially designated for this purpose by Fusion for Energy. The resulting expenses and delays shall be borne by the Party shown to be wrong by the results of this new series of tests.

II.10. CONFLICT OF INTERESTS

- II.10.1.** The Contractor shall take all necessary measures in order to prevent any situation of Conflict of Interest or Professional Conflicting Interest. Any Conflict of Interest or Professional Conflicting which could arise during performance of this Contract must be notified to Fusion for Energy in writing without delay. The Contractor shall immediately take all necessary steps to rectify it, being the sole responsible for making any replacement according to the labour applicable laws in force.
- II.10.2.** Fusion for Energy reserves the right to verify that such measures are adequate and may require that additional measures be taken, if necessary, within a time limit which it shall set. The Contractor shall ensure that its Staff, board, and directors are not placed in a situation which could give rise to conflict of interest. Without prejudice to Article II.1.2 (*General Provisions Regarding the Contractor's Staff*) the Contractor shall replace, immediately and without compensation from Fusion for Energy, any member of its Staff exposed to such a situation.
- II.10.3.** The Contractor shall abstain from any contact likely to compromise its independence.
- II.10.4.** The Contractor declares:
 - (a) that it has not made, and will not make, any offer of any type whatsoever, from which an advantage can be derived under this Contract or any Specific Contract;
 - (b) that it has not granted and will not grant, has not sought and will not seek, has not attempted and will not attempt to obtain, and has not accepted and will not accept, any advantage, financial or in kind, to or from any party whatsoever, where such advantage constitutes an illegal practice or involves corruption, either directly or indirectly, in as much as it is an incentive or reward relating to the performance of this Contract or any Specific Contract.

II.11. PROCESSING OF PERSONAL DATA

II.11.1. Processing of personal data by Fusion for Energy

Any personal data included in or relating to this Contract, including its implementation, shall be processed in accordance with Regulation (EU) No 2018/1725. Such data shall be processed solely for the purposes of the implementation, management and monitoring of this Contract by the data controller.

The Contractor or any other person whose personal data is processed by the data controller in relation to this Contract has specific rights as a data subject under Chapter III (Articles 14-25) of Regulation (EU) No 2018/1725, in particular the right to access, rectify or erase their personal data and the right to restrict or, where applicable, the right to object to processing or the right to data portability.

Should the Contractor or any other person whose personal data is processed in relation to this Contract have any queries concerning the processing of their personal data, they shall

F4E - [Contract reference]

address themselves to the data controller. They may also address themselves to the Data Protection Officer of the data controller. They have the right to lodge a complaint at any time to the European Data Protection Supervisor (EDPS).

Details concerning the processing of personal data are available in the Privacy Notice referred to in Article I.16.

II.11.2. Processing of Personal Data by the Contractor

The processing of personal data by the Contractor shall meet the requirements of Regulation (EU) No 2018/1725 and be processed on behalf of Fusion for Energy, as “processor” solely for the purposes set out by the controller.

The Contractor may act only on documented written instructions and under the supervision of the controller, in particular with regard to the purposes of the processing, the categories of data that may be processed, the recipients of the data and the means by which the data subject may exercise its rights. The Contractor shall have measures in place to ensure that the data subjects can exercise their rights in an easy manner.

The Contractor may be asked by F4E to use some ITER Organization IT applications that store information in data centers or similar premises, located on the territory of the European Union Member States (incl. back-up storage).

The Contractor shall assist the controller for the fulfilment of the controller’s obligation to respond to requests for exercising rights of person whose personal data is processed in relation to this Contract as laid down in Chapter III (Articles 14-25) of Regulation (EU) No 2018/1725. The Contractor shall inform without delay the controller about such requests.

The Contractor shall grant its personnel access to the data to the extent strictly necessary for the implementation, management and monitoring of the Contract. The Contractor must ensure that personnel authorised to process personal data has committed itself to confidentiality or is under appropriate statutory obligation of confidentiality in accordance with the provisions of Article II.23.

The Contractor shall adopt appropriate technical and organisational security measures, giving due regard to the risks inherent in the processing and to the nature, scope, context and purposes of processing, in order to ensure, in particular, as appropriate:

- (a) the pseudonymisation and encryption of personal data; Data in transit on public networks (e.g. internet) shall be encrypted. Other security measures than encryption of stored data may be defined during contract implementation
- (b) the ability to ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services;
- (c) the ability to restore the availability and access to personal data in a timely manner in the event of a physical or technical incident;
- (d) a process for regularly testing, assessing and evaluating the effectiveness of technical and organisational measures for ensuring the security of the processing;
- (e) measures to protect personal data from accidental or unlawful destruction, loss, alteration, erasure, unauthorised disclosure and use of or access to personal data transmitted, stored or otherwise processed.

The Contractor shall, on Fusion for Energy’s written request, inform Fusion for Energy in writing about the implementation of those measures within 30 days following receipt of the request.

F4E - [Contract reference]

In case the Contractor is asked by Fusion for Energy to use systems and IT applications provided by the ITER Organisation the above mentioned technical and organizational security measures apply to the extent falling under the Contractors responsibility.

The Contractor shall notify relevant personal data breaches to the controller without undue delay and at the latest within 48 hours after the Contractor becomes aware of the breach. In such cases, the Contractor shall provide the controller with at least the following information:

- (a) nature of the personal data breach including where possible, the categories and approximate number of data subjects concerned and the categories and approximate number of personal data records concerned;
- (b) likely consequences of the breach;
- (c) measures taken or proposed to be taken to address the breach, including, where appropriate, measures to mitigate its possible adverse effects.

The Contractor shall immediately inform the data controller if, in its opinion, an instruction infringes Regulation (EU) 2018/1725, Regulation (EU) 2016/679, or other Union or Member State data protection provisions as referred to in the tender specifications.

The Contractor shall assist the controller for the fulfilment of its obligations pursuant to Article 33 to 39 under Regulation (EU) 2018/1725 to:

- (a) ensure compliance with its data protection obligations regarding the security of the processing, and the confidentiality of electronic communications and directories of users; In case the Contractor is asked by F4E to use systems and IT applications provided by the ITER Organisation this applies to the extent falling under the Contractors responsibility.
- (b) notify a personal data breach to the European Data Protection Supervisor;
- (c) communicate a personal data breach without undue delay to the data subject, where applicable;
- (d) carry out data protection impact assessments and prior consultations as necessary.

The Contractor shall maintain a record of all data processing operations carried on behalf of the controller, transfers of personal data, security breaches, responses to requests for exercising rights of people whose personal data is processed and requests for access to personal data by third parties.

The Contractor acknowledges that the potential costs with the implementation of its obligations are under its entire responsibility with no right to be reimbursed.

Fusion for Energy is subject to Protocol 7 of the Treaty on the Functioning of the European Union on the privileges and immunities of the European Union, particularly as regards the inviolability of archives (including the physical location of data and services as set out in Article I.16 and data security, which includes personal data held on behalf of Fusion for Energy in the premises of the Contractor or subcontractor.

The Contractor shall notify Fusion for Energy without delay of any legally binding request for disclosure of the personal data processed on behalf of Fusion for Energy made by any national public authority, including an authority from a third country. The Contractor may not give such access without the prior written authorisation of the contracting authority.

The duration of processing of personal data by the Contractor will not exceed the period referred to in Article II.22. Upon expiry of this period, the Contractor shall, at the choice of the controller, return, without any undue delay in a commonly agreed format, all

F4E - [Contract reference]

personal data processed on behalf of the controller and the copies thereof or shall effectively delete all personal data unless Union or national law requires a longer storage of personal data.

For the purpose of Article II.13, if part or all of the processing of personal data is subcontracted to a third party, the Contractor shall pass on the obligations referred to in Articles I.16 and II.11 in writing to those parties, including subcontractors. At the request of Fusion for Energy, the Contractor shall provide a document providing evidence of this commitment.

II.12. RIGHTS ON DOCUMENTATION AND ITEMS PROVIDED BY FUSION FOR ENERGY

- II.12.1.** Where for the purpose of this Contract or any Specific Contract Fusion for Energy provides to the Contractor access to drawings, files, technical data, computer programs, source codes, and any other item or property, the Contractor shall not become the owner of any items provided.
- II.12.2.** These items may only be used by the Contractor for the purposes of the Contract or any Specific Contract. The distribution, reproduction or use by a third party without prior written approval by Fusion for Energy is strictly forbidden.

II.13. SUBCONTRACTING

- II.13.1.** The Contractor shall neither subcontract any part of the work to any Subcontractor without prior written authorisation from Fusion for Energy, nor cause or allow this Contract or any Specific Contract to be performed in fact by third parties. Fusion for Energy may waive its right for prior authorization by registered letter for specific part of the Contract and subject to the conditions it defines.
- II.13.2.** The request for such authorization mentioned in article II.13.1 shall be made in writing to Fusion for Energy, accompanied by references of the proposed Subcontractor's qualifications and experience, its place of establishment, the part of the service/supply to be subcontracted, the total amount estimated to be paid for such service/supply and whether the Subcontractor qualifies as small and medium-sized enterprise. Together with the invoice for payment of the balance, the Contractor shall declare the total amount paid or to be paid to each Subcontractor for the part of the service/supply which was subcontracted.
- II.13.3.** Even where Fusion for Energy authorises the Contractor to subcontract to third parties, the Contractor shall none the less remain bound by its obligations to Fusion for Energy under this Contract or any Specific Contract and shall bear exclusive liability for proper performance of this Contract. The Contractor shall at all times be responsible towards Fusion for Energy for the acts and omissions of Subcontractors. Fusion for Energy does not undertake any obligation to pay or be responsible for the payment of any sums to any Subcontractor or their employees. Where Fusion for Energy authorises the Contractor to subcontract to third parties, a written agreement applying the same obligations as apply to him with regard to the personal data is obligatory. The initial processor remains fully liable to the controller for the performance of those other processor obligations.
- II.13.4.** If required by Fusion for Energy, the Contractor shall list all the legal commitments he enters into for the purpose of executing the Contract or any Specific Contract and the amounts paid to Subcontractors. The Contractor and/or the Subcontractor shall promptly submit copies of forms evidencing payment of salaries and social security contributions, as well as the labour benefits of its employees and the Subcontractor's employees, as the case may be, and provide evidence that the Contractor and the Subcontractor comply with all their legal obligations (of any nature) in respect to their employees.

F4E - [Contract reference]

- II.13.5.** The Contractor shall make sure that the legal commitment with the Subcontractor does not affect any rights to which Fusion for Energy is entitled to by virtue of this Contract or any Specific Contract.
- II.13.6.** All contracts between the Contractor and Subcontractors shall be made in writing shall be consistent with the terms and conditions of this Contract (including imposing any relevant obligations under this Contract to the Subcontractor) and shall include any provisions which are necessary to guarantee the rights of Fusion for Energy under this Contract or any Specific Contract.

II.14. SIGNIFICANT ORGANISATIONAL CHANGE

- II.14.1.** The Contractor shall inform Fusion for Energy without delay of any contemplated Significant Organisational Change by Formal Notification. This notification shall clearly state (i) the reasons for the contemplated Significant Organisational Change, and (ii) the impact thereof on the performance of the Contract or any Specific Contract, including with respect to the technical requirements, the quality assurance requirements, the progress requirements and the delivery requirements of the Contract or any Specific Contract. In addition, the notice shall be accompanied by the following supporting information:
 - (a) legal entity form (if applicable);
 - (b) bank account form (if applicable);
 - (c) evidence that the Contractor and/or its Subcontractors, after the Significant Organizational Change has been effected, do or will not fall within any of the exclusion criteria according to Articles 136(1) or 136(2) of the Financial Regulation¹⁰; and
 - (d) evidence of professional and financial capacity to perform the contract.
- II.14.2.** Fusion for Energy shall be entitled to object to the proposed Significant Organisational Change if it adversely affects the performance of the Contract and/or the ITER Project as a whole and/or whether it would amount to a substantial modification of the Contract not allowed under F4E Financial Regulation. Fusion for Energy shall notify the Contractor of its decision on the proposed Significant Organisational Change no later than 30 (thirty) Days of receipt of notice thereof.
- II.14.3.** Failure to inform Fusion for Energy in accordance with Article II.14.1 or to comply with Fusion for Energy's decision mentioned in Article II.14.2 is a ground for termination under the conditions set out in Article II.19.1(l) (*Termination by Fusion for Energy for Cause*).

II.15. COMPENSATION EVENT

- II.15.1.** The following events are Compensation Events:
 - (a) Change in the Legislation: If, as a result of a change in the applicable law or in the judicial or governmental interpretation of such applicable law (but not related to employment, tax, or social legislation) occurring after the

¹⁰ Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 (OJ L 193, 30.07.2018, p. 1) to which article 89 of F4E Financial Regulation refer. F4E - [Contract reference]

Commencement Date and directly affecting the performance of the Contract, and, the Contractor will be forced to delay and/or incur additional costs in performing its obligations hereunder, the Contractor will be entitled to an extension of time and/or payment of any such Cost only in case the Contractor has given a written substantiated notification to Fusion for Energy of any such delay and/or additional costs within thirty (30) days from the date the change entered into force, provided that:

- a. Fusion for Energy has decided not to terminate the Contract pursuant to Article II.20 (*Termination by Fusion for Energy for Convenience*) and to continue with its execution, and
 - b. The impact of the Change in Legislation is not already covered by the application of another provision of the Contract, and
 - c. the Contractor is a national of or is legally established in the European Union or Switzerland at the time of the filing of the written notice mentioned in this Article.
- (b) Suspension of the Contract: if the Contract is suspended, in accordance with Article II.18 (*Suspension of the Contract*) for more than three (3) months continuously for the same cause, the Contractor will be entitled to a compensation corresponding to additional Cost it incurred as a result of the suspension from the beginning of the fourth (4th) month of suspension of the Contract providing that the Contractor submitted to Fusion for Energy a notice of such additional Cost by registered letter with acknowledgment of receipt or equivalent means within thirty (30) Days after the end of the Contract's suspension. The notice shall be substantiated with the relevant proof of the precise nature and extent of the additional Cost, including their detailed breakdown. For the sake of clarity, the Contractor is not entitled to payment of any cost incurred during the first three (3) months of suspension of the Contract. The Contractor shall take all necessary measures to prevent and minimize damage.

II.15.2. Provided the Compensation Event is notified to Fusion for Energy within the period defined in the Contract, the Parties shall agree in good faith whether and to what extent, under the Contract, the possible extension of time and determination of additional Costs apply. Additional Costs that may be claimed under this Article shall be limited to duly documented, through submission of relevant proof, direct Costs. The agreement on the additional Costs and/or extension of time shall be included into the Contract pursuant to Article II.24 (*Amendments*).

II.15.3. The application of Article II.15 is subject to compliance with the Contractor's obligations defined under Article II.1.4 (*Early Warning Scheme*).

II.16. FORCE MAJEURE

II.16.1. If a Party is affected by a Force Majeure, it shall immediately notify the other Party, but in any case within 14 (fourteen) Days after the Party becomes aware or should have become aware of the Force Majeure. The notification shall state the nature, likely duration, and foreseeable effects of the Force Majeure, including the obligations whose performance is or will be prevented by the Force Majeure.

II.16.2. No Party shall be liable for any delay or failure to perform its obligations under the Contract, if that delay or failure is a result of a Force Majeure, subject to Article II.16.1

F4E - [Contract reference]

and for so long as the Force Majeure prevents the Party from performing its obligations. If the Contractor is unable to perform its contractual obligations owing to a Force Majeure, it has the right to remuneration only for the Items delivered and accepted.

- II.16.3.** The Parties shall promptly take all necessary measures to minimize any delay and to reduce any damage to a minimum.
- II.16.4.** The Party invoking Force Majeure shall immediately notify the other Party when it ceases to be affected by the Force Majeure.
- II.16.5.** In case of Force Majeure exceeding 6 (six) months notified in accordance with this Article, a Party may terminate the Contract or any Specific Contract with immediate effect, where performance thereof cannot be resumed before an additional period of minimum 6 (six) months. Article II.19.3 (*Termination by Fusion for Energy for cause*) shall apply *mutatis mutandis* to the effects of such termination, unless otherwise indicated.

II.17. ASSIGNMENT

- II.17.1.** The Contractor shall not assign the rights and obligations arising from the Contract or any Specific Contract, in whole or in part, without prior written authorisation from Fusion for Energy.
- II.17.2.** In the absence of such consent, or in the event of failure to observe the terms thereof, assignment by the Contractor shall not be enforceable against, and shall have no effect on, Fusion for Energy.
- II.17.3.** Fusion for Energy may assign the rights and obligations arising from the Contract or any Specific Contract, in whole or in part, without prior authorisation from the Contractor, to the ITER IO, any other entity which may have taken over all or a substantial part of the ITER IO's/Fusion of Energy's role in respect of the ITER project, or another Domestic Agency, or the European Commission.

II.18. SUSPENSION OF THIS CONTRACT OR OF ANY SPECIFIC CONTRACT

- II.18.1.** Fusion for Energy may at any time and for duly justified reasons suspend performance of the Contract or any part thereof by sending a Formal Notification to the Contractor. The suspension shall take effect on the date of receipt of the Formal Notification, or at a later date indicated therein. Fusion for Energy shall provide the Contractor with available details of the expected duration of the suspension and may at any time following suspension give notice to the Contractor to resume performance of the Contract.
- II.18.2.** Should Fusion for Energy decide to suspend this Contract or any Specific Contract for a period of over 12 (twelve) months, the Contractor shall be entitled to ask for this Contract to be terminated, by sending a Formal Notification within 1 (one) month of the receipt of the notification of the suspension. The same shall apply in the event of a series of suspensions totaling a period of over 18 (eighteen) months. The one-month's deadline mentioned above for the request to terminate shall commence on the date of the reception of the decision resulting in the suspension of the Contract or any Specific Contract for over 12 (twelve) months or for 18 (eighteen) months respectively. If the Contract is suspended for more than 12 months (twelve) without prior indication of the period of suspension in the Formal Notification, the 1 (one) month deadline mentioned above for the request to terminate shall commence on the Day following the expiration of the 12 (twelve) months period.
- II.18.3.** In case of termination following the Contractor's request in the conditions mentioned in this Article, the provisions regarding termination for convenience established in Articles II.20 (*Termination by Fusion for Energy for Convenience*) shall apply.

F4E - [Contract reference]

- II.18.4.** In case the Contract or a Specific Contract is suspended for more than 3 (three) months for the same cause, the Contractor is entitled to request, upon submission of relevant proof, an indemnity corresponding to any certain and direct damage it sustained as a result of the suspension from the 4th (fourth) month of suspension. The Contractor's claim shall be deemed acceptable only if submitted to Fusion for Energy by registered letter with acknowledgment of receipt or equivalent after the end of the suspension and together with the proof of the precise nature and extent of the damage including a detailed breakdown of the Costs caused by the suspension. The Contractor shall take all necessary measures to prevent and minimize damage. The indemnity does not cover the first 3 (three) months of suspension.
- II.18.5.** The compensation for the Contract suspension exceeding three (3) months, referred to in article II.15.1(b) shall be the Contractor's exclusive remedy on this ground. The conditions of this Article II.18 (*Suspension of this Contract Any Specific Contract*) shall also apply to the contracts with the Subcontractors.
- II.18.6.** It is agreed that within 15 (fifteen) Days from the date on which performance of the Contract is resumed by Fusion for Energy the Parties shall convene to re-negotiate in good faith an adequate updated schedule of performance of the Contract or any Specific Contract. Article II.24 (*Amendment*) shall apply.

II.19. TERMINATION BY FUSION FOR ENERGY FOR CAUSE

II.19.1. Grounds for Termination

Fusion for Energy may terminate this Contract or any Specific Contract in the following circumstances:

- (a) where the Contractor or any person that assumes unlimited liability for the debts of the Contractor is in one of the situations provided for in points (a) and (b) of Article 136(1) of the Financial Regulation¹¹ ;
- (b) the Contractor or any related person is subject to any of the situations provided for in points (c) to (f) of Article 136(1) or to Article 136(2) of the Financial Regulation;
- (c) where the procedure for awarding the contract or the performance of the contract prove to have been subject to substantial errors, irregularities, or fraud;
- (d) where the Contractor does not comply with applicable obligations under environmental, social, and labour law established by Union law, national law, collective agreements, or by the international environmental, social, and labour law provisions listed in Annex X to Directive 2014/24/EU;
- (e) where the Contractor is in a situation that could constitute a Conflict of Interest or a Professional Conflicting interest as referred to in Article II.10 (*Conflict of Interest*);
- (f) where the Contractor has failed to submit a Task Offer in accordance with Article I.4.2;
- (g) where for reasons due to the Contractor, performance of this Contract or any Specific Contract has not actually commenced 15 (fifteen) Days after the date of entry into force of this Contract or any agreed date for the start of the execution of this Contract or any Specific Contract;

¹¹ Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 (OJ L 193, 30.07.2018, p.

F4E - [Contract reference]

- (h) where the Contractor is unable, through its own fault, to obtain any permit or licence required for performance of this Contract or any Specific Contract;
- (i) where the total amount of liquidated damages due to Fusion for Energy is equal or higher than the amount established in Article I.14 (*Liquidated Damages*);
- (j) where the Contractor does not perform the Contract in accordance with the tender specifications or is in breach of one of its substantial contractual obligations. For the purpose of this Article, a failure to meet the progress and/or delivery requirements to such an extent as to jeopardize the performance of the Contract or the purpose of the delivery is a breach of a substantial contractual obligation;
- (k) where the Contractor commits a material breach of his obligations under this Contract or any Specific Contract as set out in Article II.19.4 (*Covenants*). For the avoidance of doubt, under this Article II.19.4 (*Covenants*), Fusion for Energy is entitled to terminate this Contract or any Specific Contract, in the case of a consortium, with effect to the consortium;
- (l) where a change to the contractor's legal, financial, technical, organisational or ownership situation is likely to substantially affect the performance of the Contract or substantially modify the conditions under which the contract was initially awarded or where the Contractor failed to notify the Significant Organisation Change in accordance with the Contract;
- (m) where the Contractor is in breach of its obligations under Article II.25(*Export Control Requirements*);
- (n) where the Contractor is in breach of the data protection obligations resulting from article II.11;
- (o) Where the Contractor does not comply with the applicable data protection obligations resulting from Regulation (EU) 2016/679.

II.19.2. Procedure

- (a) Fusion for Energy must formally notify ("**Formal Notification**") the Contractor of its intention to terminate the Contract and the grounds for termination. The Contractor will have the opportunity to submit its observations, including the measures it has taken to continue fulfilling its contractual obligations if any, no later than 10 (ten) days upon receipt of the letter of termination. Failing that, the decision to terminate is in force the day after the time limit for submitting observations has elapsed, unless otherwise indicated in the Formal Notification.
- (b) If the Contractor submits observations, Fusion for Energy must formally notify it either of the withdrawal of its intention to terminate or of its final decision to terminate. Termination shall take effect on the date of receipt of this Formal Notification or any other date indicated in the Formal Notification.

II.19.3. Consequences of termination:

Upon termination of the Contract, any Specific Contract or any portion thereof in accordance with this Article, the following shall apply:

- (a) The Contractor must take immediate steps to bring to an end its activities under the Contract. It must take all appropriate measures to minimize costs, prevent and minimise damage, and cancel or reduce its commitments.
- (b) Upon Fusion for Energy's request, the Contractor shall draw up the documents required by this Contract or any Specific Contract for the Service provided and accepted, in accordance with the provisions of this Contract, up to the date on which termination takes effect, within a period not exceeding 60 (sixty) Days from that date.

F4E - [Contract reference]

In addition, the Contractor shall, at Fusion for Energy's request, deliver all documents, data, Foreground, and information produced pursuant to this Contract.

- (c) The Contractor is not entitled to any compensation from Fusion for Energy for loss and damages resulting from the termination of the Contract, including loss of anticipated profits.
- (d) Subject to the limitations foreseen in Article I.12.1 (*Liability*), Fusion for Energy may claim from the Contractor compensation for any loss or damage sustained as a result of the termination and recover any sums paid under the Contract, unless the termination was caused by Force Majeure in accordance with Article II.16 (*Force Majeure*).
- (e) Fusion for Energy may engage one or several other contractor(s) of its choice to replace the Contractor. Subject to the limitations foreseen in Article I.12.1 (*Liability*), Fusion for Energy is entitled to claim from the Contractor all additional costs incurred for completing the performance of a the Contract, except in the case of termination due to Force Majeure in accordance with Article II.16 (*Force Majeure*).
- (f) Contractor is entitled to be paid for the Items delivered and accepted by Fusion for Energy in accordance with article II.2 (*Acceptance*) on the date of receipt of the Formal Notification. Payment will be made by off-setting the amount due or already paid to the Contractor against the amount of loss and damage due by the Contractor to Fusion for Energy pursuant to this Article. Any balance to the Contractor will be paid only after recovery of Fusion for Energy's loss and damage pursuant to this Article.
- (g) The Contractor is entitled to be compensated for the Costs of other Deliverables, materials, unfinished work or goods manufactured before receipt of the Formal Notification mentioned in Article II.19.2(a), of which Fusion for Energy requests the transfer of ownership. Costs must be necessarily incurred by the Contractor and in accordance with the Contractor's Tender (*Annex G*). Costs shall be fixed on the basis of evidence produced by the Contractor and accepted by Fusion for Energy. Payment will be made by off-setting the amount due or already paid to the Contractor against the amount of loss and damage due by the Contractor to Fusion for Energy pursuant to this Article. Any balance to the Contractor will be paid only after recovery of Fusion for Energy's loss and damage pursuant to this Article.
- (h) In the case of joint tenders, Fusion for Energy may terminate the contract with each member of the group separately on the basis of points (a), (b) or (d) of Article II.19.1.

II.19.4. Covenants:

In addition, and without prejudice to those covenants, undertakings, commitments, and obligations made by or in respect of the Contractor herein and/or in the Contractor's Tender (*Annex G*), the Contractor hereby covenants that, so long as this Contract or any Specific Contract shall be in force, it shall:

- (a) not take or omit to take any action the taking or omission of which might result in the alteration or impairment of any rights of Fusion for Energy under this Contract or any Specific Contract or which might adversely affect the implementation of this Contract or any Specific Contract;
- (b) promptly but not later than within four (4) Days since the Contractor became aware of it or should have reasonably become aware of it, notify Fusion for Energy of any

F4E - [Contract reference]

event or circumstance, which is reasonably expected to adversely affect or adversely affects, the performance of the Contractor's obligations under the Contract, including (without limitation) the filing of a petition for the bankruptcy or insolvency of the Contractor (in case of a group of companies or consortium, of any member of the same), or the initiation of any similar proceedings, the termination of the Contractor's commercial activities or the winding-up of the Contractor (in case of a group of companies or consortium, the termination of the commercial activities or the winding up of any member of the same);

- (c) not pass any resolution, according to the applicable law to the Contractor (in case of a group of companies or consortium, of any member of the same), (i) to dissolve and/or liquidate the Contractor or to authorise an application for the bankruptcy or insolvency of the Contractor (in case of a group of companies or consortium, of any member of the same), unless required by mandatory laws applicable to the Contractor or (ii) to reduce the authorized or issued capital stock or any equivalent thereof of the Contractor, save for a decrease of such to be made in accordance with a mandatory statutory requirements set out in applicable law to the Contractor (in case of a group of companies or consortium, of any member of the same);
- (d) promptly provide Fusion for Energy, upon its request, with statements on such other matters and information relating to this Contract or any Specific Contract as Fusion for Energy may from time to time request.

The Parties agree that the breach of the covenants and/or the obligations of the Contractor made under Articles II.19.4 (b) and (c) (*Covenants*), and the obligation in relation to their due notification as stated above shall qualify as material breach of this Contract or any Specific Contract.

II.20. TERMINATION BY FUSION FOR ENERGY FOR CONVENIENCE

- II.20.1.** Fusion for Energy may, at any time, at its discretion terminate this Contract or any Specific Contract or any portion thereof in accordance with this Article II.20 (*Termination by Fusion for Energy for Convenience*).
- II.20.2.** Any such termination shall be effected by delivery to the Contractor of a Formal Notification which will specify the extent to which performance under this Contract or any Specific Contract is terminated and the effective date of termination.
- II.20.3.** Upon receipt of a Formal Notification under this Article, the Contractor shall discontinue performance of this Contract or any Specific Contract in accordance with the notification and shall take any reasonable measures which are necessary or desirable to terminate performance in a safe and timely manner and minimize the costs associated with the termination prevent and minimise damage, and cancel or reduce its commitments.
- II.20.4.** Subject to fulfilment of the Contractor's obligations under the Contract, Fusion for Energy shall reimburse the Contractor for its Costs actually incurred and which would not have been incurred but for the termination. The Cost must be a direct result of termination of the Contract or of any portion thereof. Fusion for Energy shall also pay a termination fee corresponding to 3% (three percent) of the remaining payments of any released Stages. However, no termination fee shall be paid, if termination is made following a change in legislation pursuant to Article II.15 (*Compensation Event*) or Article II.20.9.
- II.20.5.** As promptly as possible and in no event later than 30 (thirty) Days after the effective date of termination, the Contractor shall submit to Fusion for Energy its claim for reimbursement in writing with acknowledgement of receipt. Such claim for reimbursement shall include a cost breakdown of unavoidable Costs reasonably and actually incurred as a result of termination which it is seeking to recover from Fusion for Energy with supporting evidence.

F4E - [Contract reference]

- II.20.6.** The amount of reimbursement payable under this Article II.20 (*Termination by Fusion for Energy for Convenience*) shall be fixed on the basis of the evidence produced by the Contractor and accepted by Fusion for Energy. It shall take account of the proportion of this Contract or any Specific Contract completed and accepted by Fusion for Energy in accordance with Article 0(*Performance of The Contract*) and shall be consistent with this Article II.20 (*Termination by Fusion for Energy for Convenience*). The Contractor is not entitled to claim any loss of profit in respect of the uncompleted or outstanding services which were to be performed after the termination date.
- II.20.7.** Fusion for Energy shall in no circumstances be liable to pay any sum which, when added to the other sums paid, due or becoming due to the Contractor under this Contract or any Specific Contract, exceeds the Total Contract Price for the Services set forth in this Contract.
- II.20.8.** The ownership of all materials, parts and unfinished work paid for by Fusion for Energy under the provisions of this Contract or any Specific Contract shall be vested in or transferred to Fusion for Energy as soon as they have been paid for.
- II.20.9.** Articles II.20.4 to II.20.6 shall not apply in case Fusion for Energy terminates the Contract due to the Contractor's inability to perform in compliance with EU laws as a consequence of United Kingdom withdrawal of the European Union. In that case, Article II.19.3 (b) (c) (d) and (e) shall apply *mutatis mutandis*.

II.21. SUBSTANTIAL ERRORS, IRREGULARITIES, AND FRAUD ATTRIBUTABLE TO THE CONTRACTOR

- II.21.1.** Where, after the award of this Contract, the award procedure or the performance of this Contract prove to have been subject to substantial errors, irregularities, or fraud, and where such errors, irregularities, or fraud are attributable to the Contractor, Fusion for Energy may refuse to make payments, may recover amounts already paid or may terminate all the contracts concluded with the Contractor (in accordance with Article II.19(*Termination by Fusion for Energy for Cause*), in proportion to the seriousness of the errors, irregularities, of fraud. The consequences described in Article II.19.3**Error! Reference source not found.** shall apply.

II.22. CHECKS AND AUDITS

- II.22.1.** In accordance with Article 5a of Fusion for Energy Council Decision, the Commission or its representatives and the European Court of Auditors shall have the power of audit, on the basis of documents or on-the-spot checks and inspections, over natural or legal persons (including Contractor, Subcontractor(s) and any other third parties) receiving payments from the budget of Fusion for Energy from the Commencement Date of this Contract or any Specific Contract up to 5 (five) years after payment of the balance.
- II.22.2.** Fusion for Energy or an outside body of its choice shall have the same rights as the European Court of Auditors in relation to this Contract or any Specific Contract up to 5 (five) years after payment of the balance.
- II.22.3.** In accordance with Article 5a of Fusion for Energy Council Decision, the European Anti-Fraud Office may conduct audit and carry-out investigations including on-the-spot checks and inspection in accordance with Parliament and Council Regulation (EURATOM, EU) No 883/2013 and Council Regulation (Euratom, EU) No 2185/1996 with a view to establishing whether there has been fraud, corruption, or any other illegal activity affecting the financial interests of the Union in connection with this Contract or any Specific Contract from the Commencement Date of this Contract or any Specific Contract up to 5 (five) years after payment of the balance.

F4E - [Contract reference]

- II.22.4.** The European Public Prosecutor's Office established by Council Regulation (EU) 2017/1939 ('the EPPO') and, for the processing of personal data, the European Data Protection Supervisor have the same rights as Fusion for Energy, particularly right of access, for the purpose of checks, audits and investigations.

II.23. CONFIDENTIALITY

- II.23.1.** The Contractor undertakes to treat in the strictest confidence and not make use of or divulge to third parties any information or documents which are linked to the performance of the Contract or any Specific Contract (the "**Confidential Information**").
- II.23.2.** Article II.23 does not apply where:
- (a) the Confidential Information becomes publicly available by means other than a breach of confidentiality obligations; or
 - (b) the disclosing Party subsequently informs the recipient that the Confidential Information is no longer confidential; or
 - (c) the Confidential Information is subsequently communicated to the recipient without any obligation of confidence by a third party who is in lawful possession thereof and under no obligation of confidentiality; or
 - (d) the disclosure or communication of the Confidential Information is required by law or permitted under other provision of this Agreement, provided that the disclosing Party has given prior written notice of such disclosure to the other Party.
- II.23.3.** The Contractor shall continue to be bound by this undertaking after execution of the Contract or any Specific Contract for a period of 10 (ten) years.
- II.23.4.** The Contractor shall obtain from each member of its staff, board, and directors which will need to know the Confidential Information, an undertaking that they will respect the confidentiality of any information which is linked, directly or indirectly, to execution of the tasks and that they will not divulge to third parties or use for their own benefit or that of any third party any document or information not available publicly even after execution of the Contract or any Specific Contract for a period of 10 (ten) years.
- II.23.5.** According to Article 17 of Title II 'Rights and Obligations of Officials' of the 'Staff Regulations of Officials read in conjunction with Articles 11 and 81 of the 'Conditions of Employment of Other Servants of the European Union' any Fusion for Energy staff member shall refrain from any unauthorized disclosure of information received in the line of duty, unless that information has already been made public or is accessible to the public. In addition, any Fusion for Energy staff member shall continue to be bound by this obligation after leaving the service.

II.24. AMENDMENTS

- II.24.1.** Any amendment to this Contract or any Specific Contract shall be the subject of a written agreement duly dated and signed by the legal representatives of the Parties. An oral agreement shall not be binding on the contracting parties.
- II.24.2.** Unless otherwise instructed by Fusion for Energy, amendments are processed in DACC. An electronic signature provided in DACC, in accordance with the rules defined in the Contract is valid for the purpose of this Article.
- II.24.3.** A Deviation Request or a Deviation Order must be accepted by the Parties in order to constitute an amendment. Implementation of an amendment may under no circumstances begin before the date the entry into force of the amendment. Unless otherwise indicated in the amendment, the amendment will enter into force on date of signature by the last Party.

F4E - [Contract reference]

- II.24.4. Upon receipt of a Deviation Notice from Fusion for Energy, the Contractor shall submit an impact assessment including a detailed breakdown of the costs to be incurred in order to perform the additional work, if any. Unit prices and productivity rates indicated in Financial Forms of the Contractor's Tender (*Annex G*) shall be applicable whenever possible. If not, unit prices and productivity rates shall be deducted (extrapolation, interpolation or proportionality) from the Financial Forms of the Contractor's Tender (*Annex G*). Fusion for Energy reserves the right to request the Contractor to submit duly documented evidence with respect to any of the proposed Cost Items. The Contractor shall submit the impact assessment within a reasonable time and in no event later than 15 (fifteen) working days after receipt of the Deviation Notice, unless agreed otherwise.
- II.24.5. Any Deviation Request issued by the Contractor shall include the impact assessment mentioned in II.24.6.
- II.24.6. After reviewing the cost breakdown contained in the impact assessment, Fusion for Energy may agree with the Contractor the final extent of the additional work to be performed, as well as any additional amount to be paid, schedule, payment schedule, and modalities, relevant deliverables and issue a Deviation Order or approve the Deviation Request as the case may be.

II.25. EXPORT CONTROL REQUIREMENTS

- II.25.1. The Contractor shall be responsible, including for its Subcontractors, for ensuring compliance with relevant requirements imposed by applicable legislations regarding exportation, re-exportation, and transfers (including intra-Community) of the dual-use products, components, and technology, or any parts thereof subject to the Contract (the "**Dual-Use Items**") to the country of delivery or the ITER site in Cadarache, France.
- II.25.2. Unless otherwise indicated by Fusion for Energy the Contractor shall act as an **Exporter** of the Dual-Use Items and shall provide any requested documentation and information, including evidence of compliance with the relevant exportation or transfer rules and transportation documentation. Should Fusion for Energy decide to act as an Exporter, the Contractor shall assist Fusion for Energy in obtaining any required export, re-export or transfer authorization (including customs) and to provide any necessary information or documentation.
- II.25.3. Where the Contractor is unable to obtain any required export, re-export or transfer authorization (including customs) and to provide the requested information or documentation, Fusion for Energy shall be entitled to terminate the Contract in accordance with Article II.19 (*Termination by Fusion for Energy for Cause*) unless the Contractor proves that the failure is due to a Force Majeure.
- II.25.4. At the latest at the Kick-off meeting unless otherwise indicated by Fusion for Energy the Contractor shall produce a list of Dual-Use Goods with indication of their category based on applicable international export control lists. It shall also clearly identify any Dual-Use Items to be subcontracted.

II.26. SETTLEMENT OF DISPUTES

- II.26.1. The Parties agree that all Disputes shall be resolved in good faith in accordance with the following provisions.
- II.26.2. Any Dispute shall in the first instance be referred for resolution by the Senior Representatives of the Parties by service of a notice of referral (the "**Notice of Referral**"). The Notice of Referral shall be duly accompanied by:
 - (a) Full written particulars of the matters that are the subject of the Dispute;

F4E - [Contract reference]

- (b) Full details of the factual and legal basis of the referring Party's claim;
- (c) Full details of the remedy sought by the referring Party together with full particulars in support of that remedy; and
- (d) Copies of all documents relied upon by the referring Party in support of his claim.

Following service of a Notice of Referral, the Senior Representatives shall meet in person and endeavour in good faith to reach agreement to resolve the Dispute.

Notwithstanding the reference of any Dispute to the Parties' Senior Representatives, the Parties shall continue to perform their duties and obligations hereunder.

- II.26.3.** If the Senior Representatives fail to reach an agreement to resolve the Dispute within 30 (thirty) Days of the date of the Notice of Referral (or such other period as may be agreed in writing by the Senior Representatives), the Dispute shall be resolved in accordance with Article II.26.4.
- II.26.4.** Any Dispute which cannot be settled by way of an agreement of the Senior Representatives shall be exclusively decided by the European Court of Justice (ECJ) in accordance with its own rules of procedure. The language of the proceedings shall be English. Neither Party shall be entitled to refer any Dispute for resolution before the ECJ pursuant to this Article II.26.4 unless the Dispute has been first referred to the Senior Representatives pursuant to Article II.26.2. Notwithstanding the reference of any Dispute to the ECJ, the Parties shall continue to perform their duties, obligations, and liabilities hereunder.
- II.26.5.** At any time, the Parties may submit the Dispute to Mediation in accordance with the rules set out in Annex F (Terms of Reference for Mediation). The Mediation will take place at the location agreed by the Parties or, by default, at the location of the Mediation Centre. It shall be conducted in English. The commencement of Mediation does not prevent the Parties from commencing a court proceeding in accordance with Article II.26.4

II.27. MISCELLANEOUS

- II.27.1.** This Contract and any Specific Contract contain the whole agreement between the Parties relating to the subject matter of this Contract or any Specific Contract as at the date of this Contract or any Specific Contract to the exclusion of any terms implied by law which may be excluded by contract and supersedes any previous written or oral agreement between the Parties in relation to the matters dealt with in this Contract or any Specific Contract.
- II.27.2.** The terms set out in the Special Conditions shall take precedence over those in the other parts of this Contract. The terms set out in the General Conditions shall take precedence over those in the Annexes except those of Annex C (Intellectual Property Provisions) which shall take precedence over the terms set out in the General Conditions. The terms set out in the Annexes shall take precedence over those in the Applicable Documents except those in the Annex G (*Contractor's Tender*) over which the Applicable Documents take precedence. The terms set out in the Applicable Document AD-01 (*Supplier Project Management and Quality Requirements*) shall take precedence over those in the other Applicable Documents.
- II.27.3.** Subject to the above, the several instruments forming part of this Contract are to be taken as mutually explanatory. Ambiguities or discrepancies within or between such parts shall be explained or rectified by a written instruction issued by Fusion for Energy, subject to the rights of the Contractor under Article II.26 (*Settlement of Disputes*), should it dispute any such instruction.

F4E - [Contract reference]

- II.27.4.** Wherever possible, each provision of this Contract or any Specific Contract shall be interpreted in such manner as to be effective and valid under applicable law. If any provision of this Contract or any Specific Contract shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract or any Specific Contract, except to the extent that any greater burden is imposed upon any Party in consequence thereof. The Parties hereto agree that they will negotiate in good faith to replace any provision hereof held invalid, illegal or unenforceable with a valid, legal and enforceable provision which is as similar as possible in substance to the invalid, illegal or unenforceable provision.
- II.27.5.** For the purposes of this Contract and any Specific Contract, except as otherwise expressly provided or unless the context otherwise requires:
- (a) The terms defined in this Contract have the meanings assigned to them in this Contract and/or its Annexes and include the plural as well as the singular, and the use of any gender herein shall include the other gender.
 - (b) The captions used in this Contract are inserted for convenience only and are in no way intended to describe, interpret, define or limit the scope or content of this Contract or any provision hereof.
 - (c) The words “herein”, “hereof”, “hereunder” and other words of similar import refer to this Contract as a whole and not to any particular provision.
 - (d) The terms “include” or “including” shall mean, without limitation, by reason of enumeration and shall not be interpreted restrictively.
 - (e) Each reference to an “Annex” of this Contract shall include all sections of such Annex and each reference to an “Article” of this Contract or to a “section” of its Annex shall include all subsections/points of such Article or section.
 - (f) Any terms used in this Contract and not otherwise defined herein shall have the meaning ascribed thereto pursuant to any of its Annexes, in the Fusion for Energy Council Decision and/or the ITER Agreement.
 - (g) References to any element of the legislation, statute, act, law, regulation, or Fusion for Energy’s procedures/rules or any provision thereof shall, where applicable, be deemed to be references to that element of the legislation, statute, act, law, regulation, or Fusion for Energy’s procedures/rules, as amended or re-enacted.
- II.27.6.** Unless otherwise provided for herein, the Parties will bear their own expenses (including fees and disbursements of their respective counsel) in connection with this Contract or any Specific Contract and the Service provided under this Contract or any Specific Contract.
- II.27.7.** This Contract may be executed in 1 (one) or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute 1 (one) and the same instrument
