

Partnership opportunities

Fields marked with * are mandatory.

Are you looking for partner to fulfill the requirements of current or forthcoming [F4E business opportunity](#)?

Do you have relevant expertise, technologies, or interesting raw materials to offer?

Or do you simply want to introduce your company and engage in the EU Fusion Industry Supply Chain?

Whether you are a large corporation, an SME, an established fusion player or a newcomer to the field, this is your starting point.

In just a few minutes, you can submit an offer or request below. Our Market Analysis team will review your submission and feature it in the [Fusion Partnerships section](#) of the F4E Industry Portal.

Thank you for joining us and contributing to the future of fusion!

F4E Market Analysis and Techno Transfer Group

*** Description (Please describe what you are offering / looking for. If related to a specific Call for Tender or Business Opportunity with F4E or ITER IO please indicate the name and reference)**

We are a sub-contractor which manufactures complicated custommade items, with high demands on quality and documentation, in stainless steel in small series 1-10 pcs.

We are currently working with Cern, ESS and Maxlab as well as several companies engaged in nuclear energy, with bigger projects (up to 3 million EUR) and ongoing smaller deliveries for all sorts of items in stainless materials, mostly stainless steel

Please see the attached documents. You can find more info about us on www.rfrsolutions.se
