SAVE THE DATE

23 TO 25 APRIL 2025

Do not miss the international ITER Business Forum (IBF25) that will take place in Marseille.

ARE YOU IN?

The international ITER Business Forum is organized by the CEA-ITER France Agency (AIF). This international event provides a wealth of opportunities for industrial activities, employment and technological innovation with ITER Organization, Domestic Agencies, their main suppliers and the Industrial Liaison Officers network.

A WIDE RANGE OF BUSINESS OPPORTUNITIES

The IBF/25 will give attendees the unique chance to:

- ✧ Learn about ITER status and future calls,
- ✧ Set fusion scientific priorities,
- ✧ Be inspired by experiences from abroad to cement new partnerships,
- ✧ Meet, discuss and initiate new cooperations.

IBF/25 HIGHLIGHTS

- ✧ **Plenary session, 23 April 9:00 am to 4:00 pm**, including an update on the new ITER baseline and the forthcoming calls for tenders.
- ✧ **Workshops** providing details on specific technical themes with contributions from experts in each field: industrial partnerships and knowledge transfer, technical developments and advances in the ITER project, digital aspects needed for ITER (AI, IT...), project financing and management, start-up initiatives, future prospects and implications for nuclear fusion environmental challenges and solutions...
- ✧ **One to one meetings** organised throughout the duration of the IBF, offering participants the chance to lay the foundations for new industrial partnerships.
- ✧ **Site events and site visits.**

ITER IS MOVING FORWARD!
