

Partnership opportunities

Fields marked with * are mandatory.

Are you looking for partner to fulfill the requirements of current or forthcoming [F4E business opportunity](#)?

Do you have relevant expertise, technologies, or interesting raw materials to offer?

Or do you simply want to introduce your company and engage in the EU Fusion Industry Supply Chain?

Whether you are a large corporation, an SME, an established fusion player or a newcomer to the field, this is your starting point.

In just a few minutes, you can submit an offer or request below. Our Market Analysis team will review your submission and feature it in the [Fusion Partnerships section](#) of the F4E Industry Portal.

Thank you for joining us and contributing to the future of fusion!

F4E Market Analysis and Techno Transfer Group

*** Description (Please describe what you are offering / looking for. If related to a specific Call for Tender or Business Opportunity with F4E or ITER IO please indicate the name and reference)**

We offer advanced sealing solutions and service support for demanding nuclear and fusion environments, with a strong and proven track record at ITER. Technetics Group provides design, manufacturing, qualification, and delivery of metallic sealing systems including HELICOFLEX® spring-energized seals tailored to meet VQC1A leak criteria and remote-handling requirements.

Our ITER-specific capabilities include:

- Unique experience with very large HELICOFLEX® shaped seals,
- Extensive ITER vacuum flange R&D and qualification, covering DN65 to DN250 designs, double-torus seals, leak control integrations, and compliance with strict VQC1A criteria.
- Strategic supplier status for standard HELICOFLEX® seals under the ITER Strategic Agreement

*** What form of collaboration would you like to promote?**

- Offer - my organisation has relevant expertise, technologies, or raw materials to offer
- Request - we are looking for specific expertise, technologies, or raw materials
- Both of the above

*** Please indicate below the collaboration preferences you wish to highlight (you can select more than one)**

- Specific expertise and technologies
- Specific materials
- To sub-contract to partners
- To co-contract with partners
- Sharing general technologies and business presentations
- Other

Upload supporting documentation (e.g., business presentation, relevant technical specifications)
