Partnership opportunities

Fields marked with * are mandatory.

FUSION FOR ENERGY Partnership

Are you looking for partner to fulfill the requirements of current or forthcoming F4E business opportunity?
Do you have relevant expertise, technologies, or interesting raw materials to offer?
Or do you simply want to introduce your company and engage in the EU Fusion Industry Supply Chain?

Whether you are a large corporation, an SME, an established fusion player or a newcomer to the field, this is your starting point.

In just a few minutes, you can submit an offer or request below. Our Market Analysis team will review your submission and feature it in the Fusion Partnerships section of the F4E Industry Portal.

Thank you for joining us and contributing to the future of fusion!

F4E Market Analysis and Techno Transfer Group

*** Description (Please describe what you are offering / looking for. If related to a specific Call for Tender or Business Opportunity with F4E or ITER IO please indicate the name and reference)**

Herobots is a robotics company developing robotic and software solutions for remote handling. We offer our simulation and digital twin environment to provide realistic simulations taking into account the rigid and flexible mechanical behavior of the mechanisms involved, and to develop complete control room for the safe teleoperation (also in virtual reality) of the robots and mechanisms into the environment. Furthermore, we have proprietary patented robotic mechanisms that allow us to build custom robotic arms designed specifically for the reactor and environment in which they operate.

*** What form of collaboration would you like to promote?**

- (•) Offer - my organisation has relevant expertise, technologies, or raw materials to offer
- ( ) Request - we are looking for specific expertise, technologies, or raw materials
- ( ) Both of the above
