F4E Market Analysis and Techno Transfer Group

*** Description (Please describe what you are offering / looking for. If related to a specific Call for Tender or Business Opportunity with F4E or ITER IO please indicate the name and reference)**

Dear Sir/Madam,

We are interested in F4E-OMF-1183, as this concerns components for which we already have experience through F4E project OPE-1138. As a result, we are familiar with the specific procedures as well as some of the more complex materials and application areas. If you would like any further information, we would be happy to provide it.

The knowledge regarding this topic is:

Bolts, screws, nuts, and washers in full accordance with F4E requirements (incl. limitations on chemical composition and compliance with nuclear code)

Kind regards,
Jeroen van der Linden
Kusters & Bosch
